Mission and Outreach Updates

VPC partners with Days for Girls (DfG) International to empower every woman and girl to become an Ambassador of Women's Health, in her school, her neighborhood, and her community. DfG does this through providing Kits to open the gateway to larger conversations about health, safety, and leadership. More than 1,260 kits have been made and distributed in the past year.

Join us on May 20, from 1-5 pm, Underground (lower level) to cut, sew, and assemble kits that will go toward health education, support hygiene needs of young women, and create a freer, healthier world.

VPC Mission Partner, New Hope Bulgaria Update: Beginning in 2015, Bulgaria has been confronted with the tremendous stress of refugees fleeing war-ravaged areas in the Middle East. New Hope Bulgaria launched *Hope for the Refugees Ministry Project*. This project established a mercy outreach center to provide food, clothing, baby formula and other life necessities for refugees living in crowded camps located in southern Bulgaria. New Hope provides food to more than 3,000 refugees every month. This program has opened doors for local church partners who are now trusted and respected by the refugee camp administration and local authorities to enter the camps and provide small worship spaces and fellowship opportunities for the refugees.
