Serve &
Grow

Over the next several weeks, our church will focus on igniting Souls on Fire for generosity as we read *The Treasure Principle* by Randy Alcorn. A copy of the *Treasure Principle* is

our gift to each family in our congregation, made possible by the tremendous generosity of a few of our members. Pick up your free book along with a copy of the daily devotional at the Welcome Table in the lobby or in the Grapevine Bookstore and join us as we explore the liberating joy of giving and its eternal impact.

You are more than what happened to you: Book Signing Event with Ruth Everhart

Many levels of excellent writing are skillfully woven into this memoir. It is far more than just a moving narrative by a remarkable person (although it is that). It is a story of lived theology: everything that has to do with God and the Gospel written in the language of everyday suffering, pain and blessing and love. Rape and shame, friendship and family find their place on these pages providing witness to a mature lived faith.

— EUGENE PETERSON, author of *The Message*
