

The Pittsburgh Project

Vienna Presbyterian Church Summer Mission Project

for Middle School Students

July 17 - July 21, 2017

Cost: \$375

The Basics

- For rising 7th – 9th grade students & adults.
- Applications at viennapres.org. Due February 12.
- Cost: \$375 + spending money and money for two meals while traveling.
- There will be up to 40 participants on this trip (8-10 adults & 30 students)
- We travel in vans. We will sleep in the dormitory and the Project cafeteria will provide our meals.
- We will make a difference in Pittsburgh through home repair and showing care to the homeowners.

Join us this summer for an exciting mission trip to Pittsburgh, PA! It will surprise you how much you can learn about God, how much of a difference you can make in peoples' lives, AND how much fun you can have, all at the same time.

We'll join 250 middle school students and adults from across the nation, and spend the week doing home repairs for city residents in need. Each of the VPC teams will adopt a resident and for whom to care. You'll bear witness to God's great love for all people, and you can experience what it means to be Jesus' hands and feet in this world.

In the evenings, we'll gather back at the Pittsburgh Project with all the participants from other groups for a worship service, free time and games! You'll be staying with your VPC friends overnight in the campus dorms, with plenty of available showers to wash off all tangible evidence of your hard work.

For more information about this amazing organization, go to www.pittsburghproject.org.

Adult Leaders

Adult leaders and mentors are needed for the Pittsburgh Project trip. You will help support the students from VPC and participate with them during all activities. Working with students provides opportunities to build disciplining relationships. Students will look to you for spiritual guidance, a model for how to serve, and even life advice. You will touch lives of our students!

There will be mandatory meetings:

May 7
June 11
June 25
