Why do devotions? We are all being spiritually formed by something. Good or bad. What we watch, what we hear, what we do. Being intentional about connecting with God can offset the impact culture can have on us. Try out some of these great practices the summer. If you receive them online (e-mail, Facebook or Twitter), we will give fresh ideas to engage with God, and the culture, with hope and love. Let us know what is working for you, we would love to share it with others on social media, in worship, or at our summer breakfasts! Send your experiences of the practices below to life@viennapres.org. To receive via email, go to viennapres.org/devotions.

**Meditation Monday:** Meditation is using your imagination to connect with God in the world around you. You can meditate on scripture, God's creation, or even music. Spend some time with God today!

**Teachability Tuesday:** “Jesus was passionate about those with ears to hear.” What is God teaching you today? What if you asked God each hour, or each meal, or each time you started your car, what he was teaching you today?

**Worshipping Wednesday:** Worship is not just going to church. Worship is also about saying, “Wow, God!” during your day, look around you. Where can you see God at work in the world around you in such a way that you can’t help but be amazed at who God is?

**Thankful Thursday:** Being thankful can change the filters through which we look at our world! Write a thank you note or use your phone or a camera to take a picture of something that you want to thank God for today!

**Friendship Friday:** Jesus spent his life in ministry with his friends. Can’t you imagine him hanging out with the disciples? Today make time for a friend. Send a text, make a phone call. Go out to lunch or dinner.

**Service Saturday:** Today go and do something for someone, maybe even in secret! Help someone out. Be intentional about doing something for someone else in the name of Jesus. Take a plant to a neighbor and “ring and run!” Buy coffee or a meal for the person behind you in line. Think of a way you can bless someone and spread God’s joy.
College Students: Water, Ice and Word

This summer, consider joining a weekly get-together for college students. Take a closer look at scripture and study apologetics while enjoying Rita’s Italian Ice.

*If God made the universe, then who made God?*
