# Mission and Outreach

VPC partners with Days for Girls (DfG) International to empower every woman and girl to become an Ambassador of Women's Health—in her school, her neighborhood, and her community. DfG does this through providing kits to open the gateway to larger conversations about health, safety, and leadership. More than 1,260 kits have been made and distributed in the past year.

**Join us on May 20, from 1-5 pm, Underground** (lower level) to cut, sew, and assemble kits that will go toward health education, support hygiene needs of young women, and help create a freer, healthier world.
