2016 Registration for all MOPS members

MOPS (Mothers of Preschoolers) is about meeting the needs of every mom of a child from conception through kindergarten. Being moms is what brings us together and allows us to build a community. The early years of being a mom are just as foundational to you as they are to your baby, and those years are filled with unique needs that other moms instinctively understand.

We meet two Thursdays a month from 9:30 – 11:30 am. To register, please fill out the PDF below & send the payment to the address listed on the registration form. Once we have received your registration, along with your payment, your spot will be secured for the fall semester. For more information, please feel free to reach out to our coordinator, Julie Rogers at VPCMOPS@gmail.com with any questions.
