Student Ministries

Who we are...

We think critically about faith with students, helping them choose to apply what they learn. We strive to model God-honoring lives. We value modeling a relationship with the Lord the way Jesus did with his 12 disciples, recognizing that parents and volunteers are of utmost importance to our mission. "Loving our neighbor as ourselves," we value mobilizing students to serve, to treat others as Jesus would, and to share the good news of Christ.

Why be a part of it

Your weekly investment WILL make a difference in the life of both children and students. Consistent adults make all the difference in the lives of children & students; Over and over again we see that children & students who have consistent adults in their lives are more likely to continue going to church and continue growing in their faith.

Join us as we:

Worship together... Turn to Scripture as our guide in small groups and Sunday school...Have fun!... Build lasting community.

We're not looking for the "perfect" leader. We're looking for leaders who are:

Senior citizens	college students	van owners
Introverts	mature Christians	accountants
Young marrieds	computer nerds	extroverts
Musicians	athletes	butchers
Bikers	new Christians	bakers
Parents	entrepreneurs	candlestick makers
Old marrieds	contemplatives	professional wrestlers
Artists	administrators	people with redeemed pasts

ALL Christians are called to do ministry and each of you are a potential youth volunteer! Interested in exploring the unique way you could contribute to the ministry to students at Vienna Pres.? Visit our volunteer table in the Underground and sign up for "coffee with Thea" to talk more!

To our Student Ministries Volunteers... thank you for helping to build a community where students are connected to a caring leader. Everyone needs to be believed in by someone, and everyone needs to belong somewhere. True community provides both. Thank you for your time, your ideas, and your investment in the church and the lives of these students. You help us "think Orange" by offering families another trusted adult to help their sons & daughters interpret life situations from a Christian perspective. You are doing something that culture can't match or compete with and we are grateful for your partnership in this ministry!
