Community Coalition for Haiti (CCH) received a National Capital Presbytery grant for the third consecutive year to promote Child and Community Wellness in Haiti. The grant will allow them to:

- Continue to promote and improve the well-being and health of students at CCH’s three rural partner schools through School-Based Clinics
- Organize at least three community-based health education trainings
- Construct and place picnic tables at all three rural schools to create additional, flexible spaces for clinical services & health education
- Begin a new “Front Porch Mothers” initiative that trains core groups of women as first aid leaders in these rural communities. Front Porch Mothers will have well-stocked first aid kits in their homes and will be trained in ways that prepare and encourage them to train others on basic first aid and prevention.

The VPC Outreach Ministry is pleased to announce our partnership with CODESPA, whose mission is to empower the poor in their professional lives, enabling them to provide for their families. They will assist in our local outreach by providing considerable expertise in addressing under and unemployment in immigrant communities. Our first collaborative effort is the golf tournament, and VPC will receive a significant portion of the proceeds. Register: viennapres.org/viennaoutreach/

“Rejoice in the Lord always; again I say, rejoice!” Philippians 4:4.
God’s Word teaches us that whether we are perched on the mountaintop or dredging through the valley, we can rejoice in the Lord. Join us on June 3 for Youth Sunday 2018, as our middle and high school students lead all three worship services, focusing on the truth that we can celebrate God’s goodness all the time.
